

SOCIAL DISTANCING POLICY NOTICE

EFFECTIVE IMMEDIATELY

On March 23, 2020, the Oregon State Governor's Office issued Executive Order No. 20-12, which requires businesses to implement social distancing policies in order to remain open and requires workplaces to implement teleworking and work-at-home options when possible.

Social Distancing Requirements apply to employees, vendors and members visiting our facilities.

The following restrictions apply to Mid Oregon Credit Union facilities until the Governor's order is lifted:

- All persons will maintain distance of at least 6 feet from other persons when the essential business being conducted does not require closer proximity.**
- Mid Oregon Credit Union lobby service is available by appointment only. Mid Oregon may redirect members to alternate service channels when requested transactions can be completed without an in-person visit.**
- Branch access is restricted. Only members with appointments will be allowed in branches.**
- Drive-up service continues to be available without an appointment in branches that have drive-up access.**
