

Holiday Skip-a-Payment

Get a little breathing room this holiday season—while you help support local community efforts!

Qualified members can skip their loan payment(s) for just \$25 per loan skipped. Part of your fee will support local community efforts.

Skip Payment Guidelines:

- You must have made at least six (6) consecutive payments.
- Your loan(s) must be in good standing (and not under a modification agreement).
- Interest will continue to accrue on all skipped payments; your loan term may be extended.
- If you normally make your payments by payroll deduction, the deduction will still be deducted from your paycheck, but it will be deposited back to your regular share account.
- This offer does not include real estate secured loans.

More than two skips on a loan protected by optional Guaranteed Asset Protection (GAP) may result in a reduced GAP claim payout.

To participate in Skip-a-Payment, complete this form, and return to Mid Oregon.
