Mid Oregon Recognized as Top Workplace for 2023

Local credit union among only three companies headquartered east of the Cascades

(Bend, OR)— Mid Oregon Credit Union has been awarded a 2023 Top Workplaces honor by *The Oregonian* Top Workplaces. This is the second consecutive year receiving this award.

The Top Workplaces list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization; including alignment, execution, and connection, just to name a few.

“Every organization has a culture, whether they know it or not. Mid Oregon chooses to be intentional about the culture and health of our organization,” said Kevin Cole, President and CEO. “We are proud of the awards but even more proud of our team members who earn those awards for the organization.”

Cole believes its team is the most distinctive competitive advantage in its industry—and it backs this belief with action. Its employee Net Promoter score is 95, which is a key indicator of engaged and enthusiastic employees, and a major source of pride for Mid Oregon.

Of the 131 companies named over two size categories in Oregon and Southwest Washington, Mid Oregon was ranked seven in the category of Midsize Employers, those with 100-500 employees. Out of

those 54 companies, Mid Oregon was the top-ranking financial institution, and among only three headquartered east of the Cascades.

“Earning a Top Workplace award is a badge of honor for your company, that as an organization, you are standing out against your peer group in a beautiful way,” commented Eric Rubino, Energage CEO. He emphasized, “And because the award is based on authentic employee feedback, it is credible recognition company leaders should be proud of.”
